The games that are being played this week will be the start of our single elimination football tournament. All football teams will have the opportunity to play and eliminate each other for the football finals. The two teams that are left will compete in our annual Turkey Bowl Championship. As always there can be only one winner, however here at Shimotsu we are all winners and each team will be a champion. Thanks to Mr. Limon the final two football teams will receive a Turkey Bowl Championship shirt.
