Novemeber 02,2019 START OF VOLLEYBALL TOURNAMENT

The games that are being played this week will be the starting our single elimination volleyball tournament. All volleyball teams will have the opportunity to play and eliminate each other for the volleyball finals. The two teams that are left will compete in our annual girls Volleyball Championship. As always there can be only one winner, however here at Shimotsu we are all winners and each team will be a champion. Thanks to Mr. Limon the final two volleyball teams will receive an All Girls' Volleyball Championship shirt.
